

Resetting Your CALIPSO Password

Step 1: Proceed to Login page. Click on the “Forgot password?” link.

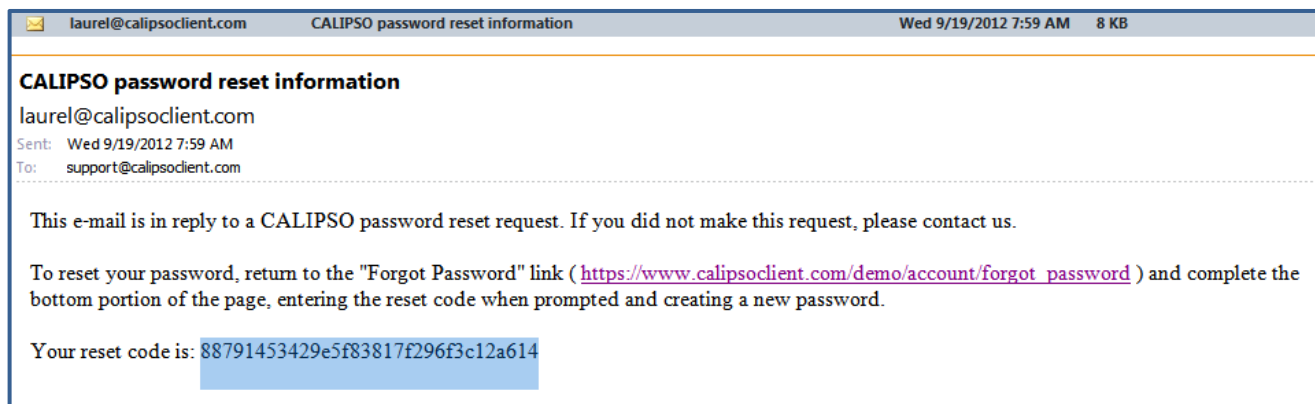

The screenshot shows the CALIPSO Login page for Calipso Demo College. At the top, there are navigation links for "Test Mode" and "CALIPSO Login". Below this, there are tabs for "Speech-Language Pathology" and "Audiology". The main form contains fields for "Login:" and "Password:". Below the password field is a "Login" button. A yellow arrow points to the "Forgot password?" link. Below the login form, there are links for "Password Help", "Registration: Supervisor | Student", and "CALIPSO User FAQs: Supervisor | Student".

Step 2: Complete the *Step 1* of the page by entering your ASHA number (if you are a supervisor) in the first field, or your School e-mail address (if you are a student) in the second field. Click the *Send code* button.

The screenshot shows the "Forgot Your Password?" page. It starts with the heading "Forgot Your Password?" and a sub-heading "You Can Reset It By Following These Two Easy Steps Below:". Below this, there is a section titled "Step 1. Request Reset Code". Under "SUPERVISOR:", there is a field labeled "Enter 8-digit ASHA Number:" with a "Send code" button. A yellow arrow points to the input field. Below this, there is a note: "* code will be sent to your email linked to your registered account". Under "STUDENT:", there is a field labeled "Enter Email Address:" with a "Send code" button. A yellow arrow points to the input field. Below this, there is a note: "* code will be sent to your email linked to your registered account".

Step 3: Check your e-mail for password reset instructions. The password reset e-mail will contain a 32 digit alphanumeric code. Copy this code.

Step 4: Return to the password reset page by either clicking on the link provided in the e-mail or by clicking on the “Forgot Password?” link on the Login page.

- Enter your 8-digit ASHA number in the first field (if you are a supervisor) or your School e-mail address (if you are a student.)
- Paste the 32 digit alphanumeric code.
- Create a new password following the password security rules.
- Click “Set new password.”
